

Jefferson Bank

A Message From Our Chairman:

For nearly 75 years, Jefferson Bank has proudly served our customers. During that time, we have weathered many storms within our industry and our economy. This time will be no different. Presently, we are in the midst of a pandemic that has caused uncertainty, not only with the citizens of the United States, but in our financial markets.

I want to reassure you that Jefferson Bank is well capitalized, and that the safety and soundness of our institution is in no way affected by the current circumstances. In the days ahead, we may have to make temporary adjustments to our hours or changes in staff locations. You will always have access to both a banker and your funds, and you can be certain that the money that you have entrusted to us is safe.

We are proud to embody our mission statement: “Earning long term relationships every day through integrity, responsiveness and commitment. This is personal to us.” It is personal to all of us at Jefferson Bank, and to my family that has been a part of this Bank since we opened our doors in 1946. Just like all the others, this storm will pass. We will weather it and ultimately be better because of it.

On behalf of Jefferson Bank’s Board of Directors, thank you for your business, and rest assured that even in these unprecedented times, your money will remain safe and accessible.

Steve C. Lewis

CHAIRMAN OF THE BOARD
